

# Our Communities

Residents choose our communities because we start with spacious, elegantly appointed and amenity-rich surroundings, including private, rental apartments . . . follow with services that promote relaxed, carefree living, such as fine dining, housekeeping, laundry, maintenance, and transportation bolstered by exceptional, personalized care, including medication management and assistance with activities of daily living that is delivered by a dedicated, compassionate staff . . . topped with a calendar filled with fun, engaging activities that allow each resident to participate to the level they desire.
